 Civil Government: Agricultural Department
 217.44

 Agriculture
 12,156.62

TORONTO, December 17th, 1903.

To His Honour

The Lieutenant Governor-in-Council:

The undersigned begs to report that the appropriation for Agriculture has been exhausted and a number of accounts now in the Treasury Department are unpaid owing to lack of funds. These accounts should be paid at once. The reasons for the appropriation not being sufficient to meet all expenditures this year are as follows:—

Hitherto all revenues of the Eastern Dairy School arising from the sale of butter and cheese have been credited to this account. This year these receipts amounting to several thousand dollars are credited to the General Revenue Account of the Government and therefore the Eastern Dairy Account is about six thousand dollars larger than was provided for in the appropriation. The appropriation for 1903, as those of 1902, provided simply for net expenditure in this service.

Owing to the increase in the attendance at the Agricultural College, and the necessity for providing for maintenance of more buildings, the expenses of that institution have exceeded the outlays of the previous year and have been larger than could have been anticipated. It was considered advisable to lay in in advance a much larger supply of coal than usual for the coming winter, and the fuel purchases are over three thousand dollars in excess of the estimates.

I beg to recommend therefore that authority be given for the payment of the following accounts:—

Public Institutions Maintenance, Toronto Lunatic Asylum

Re MAINTENANCE, TORONTO ASYLUM.

TORONTO, DEC. 21, 1903.

SIR.

I beg to report that the maintenance appropriation at Toronto Asylum has been insufficient to meet the expenditure, and that the indebtedness to be paid amounts to \$6,012.52.

The overdraft is in consequence of the expenditure for fuel, a large sum for which had to be paid during the current year for that which should have been delivered last season, but the coal not being delivered by contractor could not be paid for in 1902. This has resulted in a payment for the present year of the sum of \$16,935.63, and the amount of the appropriation was only \$10,000, thus showing an expenditure of \$6,435.63 over and above the amount of the appropriation.

I would therefor beg to recommend that authority be given under R.S.O. Cap. 23, Sec. 20, for the issue of a Treasury Board warrant for the sum of \$6,012.52 in order that the accounts for December may be paid.

Re PRINCIPAL'S HOUSE INSTITUTION FOR BLIND.

Sir,—I beg to transmit herewith accounts amounting in all to \$1,498.79.

This expenditure has been incurred in renovating and refurnishing the Principal's residence at the Institution for the Blind, Brantford, upon the appointment of Mr. Herbert Gardiner to the position of Principal. As this was an unforseen expenditure, and the appropriations for the year are insufficient to cover it, I beg to request that you will submit these accounts to the Treasury Board with a view to receiving authority to pay the same.

Memo. for Dr. Chamberlain,

Re Blind Institute, Brantford.

Your recommendation of the 25th inst. calls for payments amounting to \$1,498.79 on capital account of above institution. As the balance at the credit of this account is only \$483.70 a Treasury Board order would be required for the difference, viz., \$1,015.09.

This is on the assumption that these accounts should be charged to Capital Account. In my opinion, however, they and all other accounts for renewal of furniture and furnishings in the public institutions should be charged to the Maintenance Account.

With reference to the attached report from Mr. Inspector Chamberlain, the undersigned approves thereof and begs to recommend that an Order-in-Council be passed authorizing the payment of the accompanying accounts amounting to the sum of Fourteen hundred and ninety-eight dollars and seventy-nine cents (\$1,498.79) being the expenditure incurred in renovating and refurnishing the Principal's residence at the Institution for the Blind, Brantford, upon the appointment of Mr. Gardiner to the position of Principal.
